

Oral and Implant Surgery of Northern Westchester, P.C.
Dr. Gary Rosenfeld
Pre-Operative Instructions

Pre-Anesthesia Instructions:

1. **No food or drink (including water)** for 8 hours prior to surgery.
Necessary medications can be taken with a small sip of water.
2. Minors must have a parent or legal guardian present to sign consent form.
3. An escort must be present in the office at the completion of surgery.
4. Wear a short sleeve shirt or loose clothing so sleeves can be rolled up past elbows.
5. Do not wear dark nail polish.
